Sir,

Subject:- Lease-Lend chassis.

"I" (

With reference to your letter No. W.2401 dated 18th April 1944, I have the honour to report that the President, Vellum Parachute Silk Co., Ltd., Gori-bidnur, has stated that he has taken delivery of one chassis No. 3.C-1677-F on the 19th instant from Messrs. Webb's Sales and Service, Bangalore, after paying the purchase price and has further stated that for the present two lorries already in their possession are sufficient for their work and that it is enough if one more truck is given to them in July when all their basins are expected to come into full operation. Hence they do not require the other truck recently allotted to them under Lease-^xlend. Hence, as stated by you in your letter No. W. 2535 dated 27th April 1944 this one chassis may be released and allotted to some other Department in urgent need of such vehicles.

"K"
(Lent to
Sibs)

Out of the three allotted to Vellum Parachute Silk Co., Ltd. (2 heavy duty and one light van of 15 Cwts) the filature has taken one and does not require another one. The light van has been

been transferred to Government Filature, Kankanhalli and the President, Vellum Parachute Silk Co., Ltd. does not require another in the place of the light van.

I note below extract from letter dated 27th April 1944 of the President, Vellum Parachute Silk Co., Ltd. for information.

"With reference to your letter No. 5314 of the 20th instant we wish to inform that we have taken delivery of the chassis No. 3-C.1677-F on 10th instant from Messrs. Webb's Sales and Service Station, Bangalore, and the purchase price has been paid. For the time being these two lorries are quite sufficient for our present work, and we shall be glad if you will kindly give us one more truck in the month of July when all our basins come into full operation and till then there will be no necessity for us to take delivery of another truck which has been already allotted to us. I shall be glad if you will kindly inform this to the Chief Secretary to the Government."
